

BLAZE A NEW TRAIL

with the EBY **NEXT** generation **BULL RIDE**. Loaded with innovative features and driver-friendly options, the new **BULL RIDE** only reinforces EBY's commitment to building strong, quality and weight efficient trailers.

Featured 53' Spread Axle shows attractive polished stainless front radius corners and additional options not considered standard

Like chrome? Check out our optional fully polished stainless steel front end and rear buck plate.

EBY offers the latest design LED marker lights. Standard on all **BULL RIDE** models.

Shown: Standard back end with optional HD rubber flaps with stainless EBY logo weights.
